## SUMMARY

I'm a dynamic and solution-focused Full Stack Software Engineer with a proven track record of delivering impactful applications, who thrives both independently and collaboratively, showcasing resilience and a keen problem-solving mindset.

---

## PROJECTS

### Pantry Pal

- Spearheaded the development of a geolocation application, leveraging Google Maps API, to seamlessly track and display information for 2,500+ US organizations providing free food.
- Engineered a data-driven solution, utilizing MongoDB to deliver personalized results based on user location.

### Tally Ho

- Incorporated Google Waypoints and JavaScript Maps API to empower users with effective planning and saving of road trip routes, elevating the application's utility and providing users with precise and valuable features.
- Showcased technical prowess, attention to detail, and commitment to delivering a feature-rich experience for road trip enthusiasts, setting "Tallyho" apart as a standout web application in the field.

### Collabo

- Collaboratively developed a cutting-edge, browser-based application using the Web Audio API, bringing remote collaborative songwriting to the public.
- Demonstrated proficiency in foundational web technologies, using vanilla JavaScript, CSS, and HTML.

---

## SKILLS

- |                             |                       |
|-----------------------------|-----------------------|
| • Full Stack Development    | • Python              |
| • TypeScript and JavaScript | • NodeJS              |
| • React                     | • RESTful APIs        |
| • HTML and CSS              | • Git Version Control |
| • SQL and NoSQL             | • TailwindCSS         |

---

## PROFESSIONAL HISTORY

### Co.Lab | Software Developer | 2023

Spearheaded the development of a mission-driven full-stack application for a non-profit organization, seamlessly integrating React, Python, MongoDB, Tailwind, and the Google Maps API suite to enhance operational efficiency and optimize resources.

### K & L Gates | Practice Assistant | 2021

Demonstrated exceptional organizational skills by supervising attorney dockets, streamlining legal processes, and contributing to the timely delivery of legal services.

### James F. Ambrose P.C. | Legal Assistant | 2017-2020

Directed the drafting of annual retirement plan documents, showcasing precision and attention to detail in maintaining corporate records and legal documentation.
